Ref.No.128751-A1/53-2 dated 17 -5-1954. 51236

Sir,

Sub: X-Ray - Govt. Hospital, Udipi - Arrangement with a private Institute - Sanction - requested.

--

The District Medical Officer, South Kanara has reported that the Government Hospital, Uidipi is the biggest Taluk Headquarters Hospital in the South Kanara District that its sanctioned bed-strength is 50. He further states that there is no X-ray plant in the hospital and that much inconvenience is being experienced in sending indigent patients requiring X-ray examination and treatment to the Headquarters Hospital, Mangalore which is 57 miles from Udipi, incurring expenditure on account of bus fare and charges for halting at Mangalore. He, therefore, recommends that the X-ray work of the Government Hospital, Udipi may be entrusted to Dr. B.Balakrishna Shetty, one of the three persons at Udipi running private X-ray institutes, as the rates offered by him are the lowest. A comparative statement showing the rates offered by the three private X-ray institutes is enclosed for the information of Government. The approximate number of indigent patients requiring X-ray examination in the Government Hospital, Udipi is reported to be 14 per month and the extra expenditure to Government in entrusting the X-ray work of the hospital to the private institute will come to Rs.1000/- per annum approximately.

2. In this connection I invite a reference to G.O.No. 28, Health, dated 5-1-1954 in regard to the entrusting of the

Radiological work of the Government Hospital, Kumbakonam to Sri M.K.Narayanaswami. It will be observed that the rates offered by Dr. B.Balakrishna Shetty for the X-ray work of Government Hospital, Udipi are reasonable and are not in excess of those allowed to Sri M.K.Narayanaswami.

3. In the circumstances, it is requested that the Government may be pleased to approve of the proposal of the District Medical Officer, South Kanara to entrust the X-ray work of the Government Hospital, Udipi to Dr. B.Balakrishna Shetty at the rates offered by him, which are ~~shown~~ given in the comparative statement enclosed.

For Director of Medical Services.
